

For all that is you

Native American Heritage Month

Healthcare and Social Issues in Native American Communities

Featured Speaker
Jeff Ferguson

Director, American Indian Business Certificate Program
Eastern Washington University

Join us for a comprehensive overview of the many historical and present-time health and social-related issues impacting Native American communities, from understanding the effects of the boarding school era, the termination era, and the relocation era to involuntary sterilization and environmental racism.

November 14th
12:30 -1:30 PM PT

Join MS Live Event
Computer audio only

Are you a Business Resource Group (BRG) member of Native Americans@KP?
