SCHOOL of ALLIED HEALTH SCIENCES

Phlebotomy Program

This program provides education for individuals seeking a career in the laboratory as a California Certified Phlebotomy Technician I (CPT I). The 320-hour basic certified CPT I Program provides 80 hours theory didactic, 80 hours in-class practicum, and 160 hours clinical. The didactic and practical course will take place at participating affiliations in Northern California. Program participants can expect substantial off-campus study in preparation for classroom training.

Individuals who successfully complete the Basic/Advanced Phlebotomy Technician program will receive a certificate of completion from KPSAHS allowing students to sit for the National certification examination. Upon passing the National examination graduates are eligible to apply to the State for CPT I certification.

Phlebotomist Duties

The primary responsibilities for the Certified Phlebotomy Technician I involves venipuncture, skin puncture, specimen processing, and patient registration.
