

LEARN AND LIVE

Our purpose is education.
Our passion is quality and service.
We change lives.

SCHOOL of ALLIED HEALTH SCIENCES

Bachelor of Science in Radiologic Technology

Program Overview

The Radiography Program provides a didactic and clinical learning experience to enable students to enter the workforce as an entry level Radiologic Technologist. Students are required to obtain a minimum Associate degree prior to applying to the Radiography Program.

Clinical experience occurs at clinical facilities in Northern California. Program participants can expect substantial off-campus study and preparation for classroom lecture and lab exercises. Upon completion of this program, graduates are eligible to sit for state and national certification examinations.

Day Track

Tuition: Bachelor of Science - \$26,664.00

The 24-month (8 Quarters) continuous Radiography program provides didactic and clinical education for potential Radiographers.

Evening and Weekend

Tuition: Bachelor of Science - \$26,488.00

The 27-month (9 Quarters) continuous Evening/Weekend Track is a full-time Radiography program that is designed for the working adult. Didactic courses are offered on the main campus in Richmond Monday through Friday in the evenings with clinical rotations scheduled for weekday evenings and Saturdays.

Radiographer Duties

The radiographer is responsible for producing diagnostic images using various types of x-ray producing equipment and image-processing and recording devices. Obtaining high-quality diagnostic images requires conscientious selection of exposure factors, optimal positioning of anatomy and diligent application of safety measures to protect the patient and others in close proximity from the potentially harmful effects of x-rays.

Admissions Requirements

All prerequisite requirements must be completed prior to applying to the program.

Applicants must have verification of completion of a minimum of an AA/AS degree or higher in any discipline from a regionally accredited institution and have a cumulative minimum grade point average of 3.0.

Complete a minimum of 8 hours of job shadowing.

All applicants must successfully complete the following courses with a grade of "C" or better. Courses must be college level and a minimum of 3 semester units or 4 quarter units. KPSAHS does not accept pre-requisite courses taken as pass/fail, credit/no credit.

Required Prerequisites:

- Human Anatomy & Physiology with a lab (college level)
- College Algebra (Intermediate algebra or higher level mathematics)
- Written Communication
- Oral Communication
- Introduction to Computers

It is recommended, though not required, that students complete the following courses (college level):

- Medical Terminology
- Human Biology

Note: All foreign diplomas and transcripts must include a notarized translation in English and must be evaluated by an approved NACES foreign transcript agency prior to submission.

The Kaiser Permanente School of Allied Health Sciences is accredited by the WASC Senior College and University Commission (WSCUC).
